

Analysis report- Curriculum Feedback-2022-2023

To,

Principal

SMBT Ayurved College and Hospital

Respected Sir,

We at SMBT Ayurved College and Hospital conducted Curriculum Feedback between 6th June 2023 to 10th June 2023 for Third year, fourth year students, Alumni and teachers.

The findings are as follows-

Third Year- 10% students were uncertain about teaching module. 20 % students were uncertain about learning and teaching method encouragement. 10% students were strongly disagree about feedback assessment was timely. For Kaumarbhritya and Practical exposure student were found having more expectations.

Fourth Year-Students found to be satisfied with module. 9.7 % students were uncertain about appropriate Books availability. For shalakyatantra students expect some more. Practical and clinical orientatio is expected more for all Departments.

Alumni- 8.3% Alumni expect some changes in the module as they are uncertain about some points. 16.7% alumni expect responsiveness to students need and problems, also they expect regularity of instructors.

Teachers- 13% Teachers expect improvements in Infrastructure facilities. Overall satisfaction was 93.6%
