Action taken report of Parent Teacher Cell Meeting

Principal Sir interacted with parents to know the issues from their side, mainly focusing on Measurements of Food infection.

- A) Issue of Food infection – Parents were concerned about the issue the caused to the students due to food .The issue was has handled and sloved consciously on priority basis and there was no any serious harm to the students.Parents were assured that Institute will take all the safety measures about providing the good quality of food.And hence forth made assured about not happening of such mishap in future.And Parents also appreciated the team work and quick handling and providing of medical response of Institute towards the sensitive problem with no major illness of students.
- B) Bus transportation Facility during Exam for students – Some Parents were concerned about the pickup point of students during exam time from their nearest destination.The issues was considered and Principal sir discussed and assured them that the pick- up points are considered as per the convenience and time saving of students to save their time;still if any difficulty to reach up the pickup points anyone faces the issue,Principal sir assured that we are ready to make such helpful arrangements for nearest destination pickup & drop points as said or revised by students or parents.

For this issue, solution was found that.

- 1) Food will be more cautiously quality checked and all the measures and efforts will be made to serve healthy food to the students.
- 2) Pickup & drop points are and will also be considered as per the convenience of students nearest destination points.

Outcome – Parents were satisfied by the interaction session and also appreciated the team work of the Institute for quick response during the stressed situation.
