

ANNUAL GENDER SENSITIZATION ACTION PLAN

- Fostering a secure, healthy environment conducive to gender equality and respectful conduct across all spheres.
- Implementing induction and orientation programs for students to foster gender sensitivity.
- Organizing awareness initiatives for female students on self-defense, AIDS prevention, female foeticide, and related topics.
- Promoting activities focused on health, cleanliness, personal hygiene, and nutrition.
- Hosting workshops aimed at equipping individuals to tackle critical situations with courage and presence of mind.
- Conducting activities to foster entrepreneurship development and career enhancement among students.
- Providing counseling sessions by experts to address issues like depression and frustration stemming from failures.
- Arranging workshops on cybercrime awareness and safety, particularly targeting female students across departments and residential facilities.
- Offering guidance on financial investments for both students and staff.
- Reviewing and ensuring timely redressal of issues reported to various committees such as the Women Empowerment Cell, Internal Complaint Committee and Grievances Redressal Committee.
- Developing and implementing a Student's Code of Conduct promoting gender equality at the institutional governance level.
- Providing regular problem-solving, counseling, and support through the Guardian Teacher Scheme.
- Encouraging female students to participate in NCC and NSS activities and ensuring equal rights and opportunities in cultural events.
- Ensuring appropriate representation of women employees in all college committees.
