

Office Order

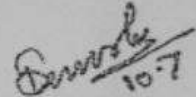

Ref. No. SMBT/HO/HR/Office Order/Eng. Speaking/ 54 /2019

Date: 26.6.2019
10.07.2019

Subject :- Regarding English speaking course Schedule 2019-20.

All head of Institute are hereby informed that, English speaking course Schedule 2019-20 (Semester-I and Semester-II) for students and Non-Teaching staff is finalized and attached herewith. This revised schedule will be effective from 1st August 2019. All HOI are directed that considering this revised English speaking course schedule, prepare your academic time table for the year 2019-20. Please take care that regular daily work of NTS and academic activities of students will not hampered.

This course is mandatory for all the students and non-teaching office staff as mentioned in the schedule. Kindly make sure all the registered students and staff must attend the course on time and at regular basis.

ART OF LIVING – HAPPINESS PROGRAM COURSE CONTENT

Experiential - Unlike many self-development programs, this course is not a lecture. The Happiness Program is experiential and interactive. Participants will learn and practice yoga, breathing and meditation, enjoy engaging group processes and discussions, and receive expert guidance on how to practice the breathing at home.

Effortless, Yet Effective - One thing that makes this course unique is the effortless nature of techniques. Participants don't have to worry about fast, complicated yoga poses, strict meditation techniques, or overly intense breathing techniques.

Time-tested and Universal - Many people out there go through a yoga teacher training or write a self-help book and call themselves a spiritual teacher. Meanwhile, The Art of Living has touched hundreds of millions of lives in 180 countries for the last 41 years. And Sri Sri Ravi Shankar, founder of the Art of Living Foundation, has received 16 honorary doctorates, and dozens of high honors from governments around the world. Art of Living Happiness Program offer powerful tools to eliminate stress and foster a sense of well-being. Appealing not only to a specific population, these practices have been proven effective globally and at all levels of society.

Research-based - Over 65 independent studies conducted on four continents and published in peer-reviewed journals have demonstrated a comprehensive range of benefits from practicing the breathing exercises taught on the Art of Living Happiness Program.

REPORT OF A GUEST LECTURE-STRESS MANAGEMENT

- 1) The department of Kayachikitsa from SMBT Ayurved College and Hospital had arranged a guest lecture on topic Stress management.
- 2) **Date and Time of the Lecture-** 25/01/22 at 11:00-12:00 noon.
- 3) **Topic of the Lecture-** "Stress Management".
- 4) **Location-** College Seminar Hall.
- 5) **Resource Person-** Dr. Amol Jadhao.

M.D. Psychiatry.

Asst. Profe. Dept.of Psychiatry.

SMBT IMSRC Dhamangaon Nashik.

- 6) **Name of the section who organized the Activity-** Dept. of Kayachikitsa.
- 7) The session was started at 11:00 am in College Seminar Hall.
- 8) Dr. VarsharaniNiphade from the department of Kayachikitsa introduces the Guest of Honour Dr. Amol Jadhao. Dr. ShilpaBadhe, HOD department of Shalyatantra felicitated Dr. Jadhao with the bouquet of flowers. Dr. Niphade gave short introduction about the need of such topic in current scenario.
- 9) Head of all the departments along with faculties were present for the session.
- 10) Also the PG students and Interns from Clinical departments were present for the session.
- 11) Present No. of
 - a) Faculties- 27
 - b) PG & Inter students - 34
- 12) The **Aim** of this session was –
"To provide the knowledge of Stress management from the Modern Medicine system for the faculties and PG students of Ayurveda fraternity".
- 13) In the start of lecture Dr. Jadhao stated the definition of Stress as "Any change in life that affect the physical and mental states is a Stress." Stress is of two types Good and Bad stress.

Good stress is positive signal and Bad stress is a negative signal. Stress has direct and indirect effects

on our life. Stress decreases productivity significantly in the age group 18-30 Years. Stress affects major body organs like Heart, Brain, Lungs and mostly Gastro Intestinal system. All these basic correlation of stress with human body and mind was explained in easy manner by Dr. Jadhao.

- 14) He narrated the Model of development of stress through 'Transaction Model' and nicely elaborate the road to develop the stress.
- 15) Causes of stress like Physiological, pathological, Neurological and Psychiatric causes were described.
- 16) He stated the Mal Productive Approach towards stress like taking medicines –Amphetamine, Cigarette smoking and drinking Tea or Coffee.
- 17) Dr. Jadhao disclosed how to response to stress. First identifies the Stressors. Then analyze them for good or bad stressors. Then make an Appraisal of stressor. Primarily accept or reject the stress. If accepted then give a Response to these stressors.
- 18) He illustrates the Response based theory with help of "Cycle of ABC".
'A' is access the stress, make 'B' Beliefs and finally do a 'C' Change i.e. building resources to deal with stress.
- 19) At the end of the session Dr. Jadhao narrated some his clinical experiences to understand these theories. He told about how to deal with stress in Clinical Profession also.
- 20) The lecture was ended with question –Answer session. Faculties and PG students asked some questions to Dr. Jadhao, and he clarified them in very easy and simple manner.
- 21) Dr. Kharkar sir HOD Department of Rognidan and VikrutiVigyana offered token of love and Letter of Gratitude to Dr. Jadhao sir.
- 22) The Feedback was taken at last. 55 participants noted their response.
- 23) The analysis of feedback shows that –
 - I. Relevance of topic was 81%.
 - II. Lecture up to the expectations- 92%

- III. The content was organized and easy to follow- 87%.
 - IV. The lecture helped to learn new concepts- 92%
 - V. Will it Increases the capability of performance of work- 87%.
 - VI. Can apply the knowledge learned in the lecture- 91%.
 - VII. Optimum allotment of time- 81%.
 - VIII. Overall lecture was relevant and effective- 91.
 - IX. 90% of participants noted their response to arrange such more lectures.
- 24) So all inclusively the lecture has surely helped to gain new knowledge about the management of Stress from Modern medicine and it will help participants to enhance their personal and professional life by managing stress in better way.

REPORT OF LECTURE

“SKIN DISORDERS IN GENERAL PRACTICE”

- 1) Department of Kayachikitsa from SMBT AyurvedCollege and Hospital had organized the lecture on “**SKIN DISORDERS IN GENERAL PRACTICE**” on 09/01/2020.
- 2) Location - SMBT Ayurved College and Hospital – Seminar Hall.
- 3) Name of Organizing Department- Kayachikitsa.
- 4) The topic for the lecture was “**SKIN DISORDERS IN GENERAL PRACTICE**”.
- 5) Dr.ChintanSangani sir Practitioner of Ayurveda from Dombivali Mumbai delivered a lecture for both UG and PG students.
- 6) The program was inaugurated by the respected Dr. Pradeep R. Bhabad Sir by lamp lighting in front of Lord Dhanvantari.
- 7) Purpose of the lecture was to ‘To know diagnosis and treatment of various skin disorders in general practice’.
- 8) Introduction of lecture was given by Dr.Varsharani S. Niphade. She spoke about what is the need of knowledge of skin disorders in general practice.
- 9) Then Dr.ChintanSanganis sir spoke about the various aspects of skin disorders in general practice.
- 10) **CAUSES/HETU OF SKIN DISORDERS**-Dr.Chintan sir explained the hetu/causes as follows-Virudhaannapana ,dhravasnighdhavishayuktaaharsevan,atibhojannantarvyayam ,adhyasan,panchakarmamithiyayoga ,diwaswap etc. with its correlation to elicit the Doshas for formation of Skin disorders. He also talked about the various causes explained in modern sciences like Bacteria,viral ,fungal infection , weak immunity,contact with allergens and genetic factors.
- 11) **SAMPRAPTI AND DOSHA DUSHYA SAMBHAND IN DIFFERENT SKIN DISORDERS**- He explained the Samprapti in very easy manner as follows- Tridoshaprakop mostly khaphadosha. This KaphaDosha gets circulated in whole body and mixed with other Doshas like Pitta and Vata many times. Causing vitiation of Rasa, Rakta, Mansa upto ShukraDhatu. It results in Shaithilya and Kledottpati at all Dhatus, which lands finally in to the formation of Skin disorders usually at the site of Skin.
Khusta-
Dosha-Tridosha (khaphadoshapradhanya)
Dushya –Twacha,rakhta,mansa.
Also explain the Pathophysiology of various disorders like Eczema, Psoriasis, Vitiligo etc.
- 12) **MODERN TECHNIQUES FOR DIAGNOSIS OF SKIN DISORDERS**-
Prick test for Atopic Dermatitis,Urticaria.
Neutrophilia typically infection seen in Psoriasis, Pyoderma Gangrenosum

Vaginal or Male Urethral Swab collected to detect Chlamydial, Gonorrhea infection. Skin Biopsy, Cell Cytology for exact diagnosis of disease.
X ray, CT scan in advance Melanoma, wood light dermatoscopy to visualize skin lesion.

13) TREATMENT OF SKIN DISORDERS-

Modern treatment- Corticosteroids, antiallergic, antifungal, antibiotics, antihistaminic, vitamins, B complex, antioxidants with local application of ointments and gels.

Ayurveda treatment- Vatajkushta- ghrutapana, Pittajkusta-virechana, Khaphajkusta-vaman. It is advocated to do Vaman in every 15 days, Virechana in every month, Nasya after 3 days, and Bloodletting or Raktamokshan should be done in patients of Skin Disorders. Local application is very important and advised application of different Lepas. Internal medicine like Tridoshnashak, Kledahara, rakhtashudhikardravya, varnyadravya should be used. Dr. Chintan beautifully explained the mode of action of some drugs/ Kalpas like- some of the kalpa like Mahamanjishtadikadha, Arogyavardhinivati, Vangabhasma, Sarivaasaw, Gandhakrasyan, Kushtakuthar Rasa, Shwitrahara Lepa, Bavachi Ghanavati and many more.

14) IMPORTANCE OF PATHYA APATHYA IN SKIN DISORDERS- He turned attention to the importance of Pathya-Apathya in Skin disorders to avoid their recurrence. To decrease the Samprati and for reliving from symptoms the pathya should be followed. **Pathya** like- Juhnetandul, Ghahu, Mugha, Mashur, Jangalmansa, , fruit vegetables and daily bath, use of cotton clothes.

Apathya like Atilawan, Atitiktha, Dhadhi, Gudha, Mithyaanna, Abhishandhyaaharsevan should be avoided to stop the recurrence.

15) At last Dr. Varsharani Niphade mam gave vote of thanks to Respected Principal sir, Dr. Warungase sir for permission of such wonderful and knowledgeable lecture.

REPORT OF WEBINAR ON PARASURGICAL PROCEDURES- NEW HORIZONS.

Shalyatantra department arranged National webinar on "Parasurgical Procedures-New Horizons"

The conference was arranged on 23 and 24th November 2020. We have 222 participants registered.

We had Dr. S.C Varshney, as President, Dr M Qadri sir as Chief Guest. We had eminent speakers- Dr. Y.G. Solanki, Dr. M.D. Samudri and Dr. S.P. Badole.

All speakers gave a feast of knowledge to all the participants. We also called for papers, for which we received 52 abstracts. Out of them we selected around 36 abstracts for Scientific Proceedings.

Out of these abstracts we have selected five papers for publication in the current issue of ijpo2.

We also take Question and Answer session with our respected speakers. It was very much useful for our participants.

The programme was ended with Thanks giving ceremony.

IGiftLife

We started this initiative in 2015 with the sole objective of saving lives via organ donation. India has one of the lowest organ donation rates in India, we believe that by working in this area we can make a small difference and help save lives. One of our key initiatives is to spread awareness about organ donation, so that over time people know about organ donation and are okay to talk about it. We speak to our fellow countrymen without expecting anything i.e. for them to pledge or to support the cause. We just engage them in a very interactive way and leave them with the right information and let them decide the way forward. It's the imprint on mind that matters more than one of paper. This is when the social change will come, inline with this initiative we have till date Conducted 330+ sessions/events Touched around 2 lakh plus people Have save multiple lives either via guiding them on how to have a transplant or by donating organs We have worked across 9 cities We work closely with NOTTO (apex body for organ donation in India), NHM (National Health mission - Maharashtra), Symbiosis International University (Scope and SCHC), BJ Medical college, NHRD, Wadia college, Modern College and other institutions.

SMBT AYURVEDA COLLEGE & HOSPITAL

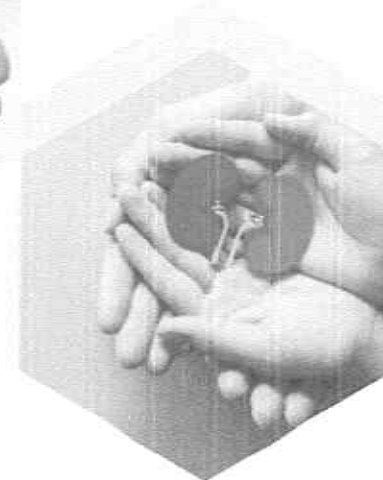

Organ Donation Awareness Drive

THE GREATEST GIFT TO GIVE

- L** Live on
- I** In someone
- F** Forever and
- E** Ever and ever

“ We came with nothing,
we go with nothing
But we can choose to leave
behind something.
Which to another may
become their everything ”

Have you ever thought about organ donation ?

Ever wondered how to go about it?

Or how to speak with your family?

Are you skeptical because of the myths and perceptions?

Let's meet u and talk about it. Invite your family, friends and neighbors too!

Report of Guest Lecture Held on
'Research Project Designing'
Department of Research Methodology and Medical Statistics

Department of Research Methodology and Medical Statistics, S.M.B.T Ayurved College and Hospital, Dhamangaon had organized a guest lecture on topic '**Research Project Designing**' on **09 March 2022** during 10.30 am to 12.00 pm at Lecture Hall no. 122 situated at S.M.B.T. Dental College Building in Dhamangaon.

Objective of this lecture was 'improving skill of research project designing and implementation in U.G. and P.G. students.

Invited guest speaker Dr. *Yogesh Ushir* (Principal of S.M.B.T College of Diploma Pharmacy, Dhamangaon, Nashik) enlightened participants with his deliberation on topic.

Total 130 participants attended this lecture among which 108 were students (U.G. third and fourth year: Other students are undergoing M.U.H.S. exams) and 22 were teaching faculty members.

The program was started with welcome note and Introduction of guest speaker by Dr. *Ankush Gunjal* followed by guest lecture by Dr. *Yogesh Ushir*. Dr. *Pradeep Bhabad* was the chairperson for the session. After guest lecture, question Answer session was conducted which was followed by remarks of Chairperson and vote of thanks by Dr. *Ankush Gunjal*. Seminar Department helped in necessary technical arrangements of program.

Guest lecture received positive feedback from students and teaching faculty members. Suggestions from participants were also noted for further improvement.
