

## Sanskrit sambhasha varga

**Sanskrit** is regarded as the ancient language in **Hinduism**, where it was used as a means of communication and dialogue by the **Hindu** Celestial Gods, and then by the **Indo-Aryans**. Sanskrit is also widely used in **Jainism**, **Buddhism**, and Sikhism. The term 'Sanskrit' is derived from the conjoining of the prefix 'Sam' meaning 'samyak' which indicates 'entirely', and 'krit' that indicates 'done'. Thus, the name indicates perfectly or entirely done in terms of communication, reading, hearing, and the use of vocabulary to transcend and express an emotion. An extraordinarily complex language with a vast vocabulary, it is still widely used today in the reading of sacred texts and hymns.

The Sanskrit language was termed as Deva-Vani ('Deva' Gods - 'Vani' language) as it was believed to have been generated by the god **Brahma** who passed it to the Rishis (sages) living in celestial abodes, who then communicated the same to their earthly disciples from where it spread on earth.

## VADATU- SANSKRITAM ( Sanskrit sambhasha varga)

# SANSKRIT THE LANGUAGE OF THE GODS

**Sanskrit** is regarded as the ancient language in **Hinduism**, where it was used as a means of communication and dialogue by the **Hindu** Celestial Gods, and then by the Indo-**Aryans**. Sanskrit is also widely used in **Jainism**, **Buddhism**, and **Sikhism**. The term 'Sanskrit' is derived from the conjoining of the prefix 'Sam' meaning 'samyak' which indicates 'entirely', and 'krit' that indicates 'done'. Thus, the name indicates perfectly or entirely done in terms of communication, reading, hearing, and the use of vocabulary to transcend and express an emotion. An extraordinarily complex language with a vast vocabulary, it is still widely used today in the reading of sacred texts and hymns.

The Sanskrit language was termed as Deva-Vani ('Deva' Gods - 'Vani' language) as it was believed to have been generated by the god **Brahma** who passed it to the Rishis (sages) living in celestial abodes, who then communicated the same to their earthly disciples from where it spread on earth.

**Course Period- 15 Lectures of one hour duration at the start of BAMS Programme**
